

2010 Adult Religious School Continues...

Rabbi Chizner invites you all to:

"A Taste of the Text"

In this three session class, we will study passages from Talmud, Mishna, Midrash, and more.

See glints of the brilliance of these master-works of Jewish tradition.

Explore both the historical and religious significance of these texts:

Some were meant to be instructional, others political, and still others were meant to entertain.

Please note that this class is for everyone.

You do not need any prior experience with Jewish Texts, nor do you need to know Hebrew or Aramaic.

Session Dates:

2/7/2010, 3/21/2010, 5/2/2010
