

Temple Judea of Manhasset 2009

MEMBER GET-MEMBER GET \$250

Who better to spread the word about Temple Judea than **YOU**, one of our dedicated members? You depend on your Temple! We depend on you, too! We know our current members are the best source for referring new members, new families and friends who might benefit from all Temple Judea has to offer!

Here is how the **Member Get-Member-Get \$250** drive works:

Every time you recruit a new member, you strengthen our Synagogue. Temple Judea is a vital and growing congregation. We offer a welcoming spiritual home, responsive and committed clergy and staff, educational facilities and opportunities for our children and adults, social events and networking opportunities for all of our members.

This year, with our special **Member Get-Member-Get \$250** program, we've made referring friends to Temple Judea easier than ever! Here are several ways you can earn rewards while helping our Temple grow:

1. You can simply provide us with your friends' names and contact information, and we will send them a membership package; or
2. You can be sent or pick up a membership application from the Temple Office and deliver the application in person.

No matter how you choose to participate, there is a great reward for every new member you recruit!

That is, whenever someone you refer becomes a member of Temple Judea and their dues are paid in full, **Temple Judea will thank you with a \$250 credit** to your Temple Judea account. The more members you refer who join, the greater the rewards!

For purposes of this promotional program, a new member is defined as an individual or family who has never been a member of Temple Judea, or who was once a member, but has had a membership lapse of 4 (four) years or more. Members who transition from one member category to a different member category will not be considered "New Members" as part of this program.

For further information, call Maxine Peresechensky in the Temple Office at (516) 621-8049 or e-mail templeoffice@temple-judea.com and just request your credit.

We are counting on you!
